The Mercure San Sebastian Monte Igueldo hotel is ideally located on Mount Igueldo, offering panoramic views over the sea and the Bay of La Concha. It is connected to the city by a century-old funicular railway, one of the main tourist attractions in the area. The hotel has an outdoor swimming pool, open during the summer months, meeting rooms for business meetings and events, and the El Torreón restaurant where guests can discover Basque cuisine, which is one of the best in the world.

Arrival

Taxi service

The nearest big airport to San Sebastian is Bilbao. From Bilbao airport, San Sebastian can be reached either by rental car (approx. 75 minutes) or by bus (approx. two hours; changing in Bilbao). For an individual taxi transfer from Bilbao airport – probably the cheapest and most practical option for groups of four or more – please contact SERCOLUX directly, <mailto:sercolux@sercolux.com>; tel. +34 945 276 969. The cost for this service is € 170.00 for a car for four people and € 210.00 for a minivan for seven people (one way).

San Sebastian also has its own smaller airport (San Sebastian Airport – Donostiako Aireportua), which can only be reached from Madrid (transfer from the airport to the hotel [approx. 30 km] by taxi takes approx. 30 minutes).

By (rental) car

Navigation: Paseo del Faro 134, Donostia-San Sebastián. The hotel has its own free car park. There are enough parking spaces for all guests available.

By public transportation

Book your tickets [here](#) for public transportation.

Rooms

Room prices (including breakfast, WLAN and taxes) are:

Single room with sea view: € 165.00
Double room with sea view: € 190.00

A call-off quota has been set up. Please use only the PDF form of the hotel for room reservations and send it as fast as possible to: convenciones@monteigueldo.com. The call-off quota is valid until 31st July 2024.

The accommodation costs as well as all additional costs and extras are to be paid individually on departure.
